

Choosing to Labour?: School-Work Transitions and Social Class

Scholarly debates suggest that the influence of structural factors such as social class on an individual's life course is decreasing. Wolfgang Lehmann challenges this view and offers an analysis of the inter-relationships between social class, institutional structures, and individual educational and career choices.

Marlynns R.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
