

## Unequal Ageing: The Untold Story of Exclusion in Old Age (Hardback) - Common

Analyses the dimensions of money, health, place, quality of life and identity, and demonstrates the gaps of treatment and outcomes between older and younger people, and between different groups of older people. This book provides evidence of the scale of disadvantage in the UK and suggests actions that could change the picture of unequal ageing.

Marlynns R.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
