

Beyond Equality and Difference: Citizenship, Feminist Politics and Female Subjectivity

Historically, as well as more recently, women's emancipation has been seen in two ways: sometimes as the 'right to be equal and sometimes as the 'right to be different. These views have often overlapped and interacted: in a variety of guises they have played an important role in both the development of ideas about women and feminism, and the works of political thinkers by no means primarily concerned with women's liberation. The chapters of this book deal primarily with the meaning and use of these two concepts in the context of gender relations (past and present), but also draw attention to their place in the understanding and analysis of other human relationships.

Marlynns R.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
