

The Medieval Voyage (Voyage of Discovery)

Highly praised by reviewers for its clarity and rich exposition, this history of philosophy text illustrates philosophy as a process and not just a collection of opinions or conclusions. Lawhead helps students retrace the philosophers intellectual journey rather than simply giving a report of the results so that the students see how the problems arose. Thus the philosophers problem becomes a puzzle which the student has to face. Lawhead uses metaphors, analogies, vivid images, concrete examples, common experiences, and diagrams to bring the abstract issues down to earth and show the practical implications and contemporary relevance of positions.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
