

## Whats Great About I-95: Maine to Florida

The first in a series of innovative travel guides designed to reduce boredom on long-distance interstate drives, this book combines colorful graphics with instructive text on history, trivia, geology, and local culture along I-95. Easy to read and fun for all ages, the format works whether driving north or south, filled with family-friendly information that will arouse anticipation about what lies further down the road. The book compliments other interstate guides by adding a long-overdue enjoyable dimension, while also including a visitor information section with suggestions for further research on all the included topics.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
