

Happy Anyway: A Flint Anthology

A collection of essays and personal narratives, the book captures a confounding, contradictory city, proving that Flint is far more than the common narrative of an industrial town picking itself up after a big company has moved out or as the site of a devastating public health crisis. The stories delve into the lives within the city what it was like to be a child on the east side; how it feels to be a parent today, without clean water; who is able to truly lay claim to being from Flint; and what it means to finally leave or to stay, even when bikes, jewelry, or love continually disappear.

Marlynns R.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
