

High Performance Computer Imaging

A complete, practical guide to image processing for developers of high-performance products. Includes detailed guidance on the reliable, efficient implementation of imaging software. Provides extensive coverage of the tradeoffs and other issues that arise in developing imaging systems. Describes methods for optimizing performance. Presents complete explanations of the most important image processing algorithms. Developers of image processing systems.

We Are Florida's #1 Pain Killer!

Our mission is to get you or those you love a quick and affordable consultation to remedy the pain.

Our professional network is compassionate, accessible and ready to help you through your time of need.

Marlynns R.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
