

## Microsoft Visual Basic 2005 Express Edition: Build a Program Now! (Pro Developer)

Build your own Web browser, desktop weather station, or other cool application without any programming experience! Featuring learn-by-doing projects and plenty of visual examples, this hands-on book is your quick start to creating applications for Microsoft Windows. Have fun as you discover how to: Design a rich user interface with easy-to-use tools Drag and drop text boxes, buttons, and other controls into your application Add database and reporting capabilities Exploit features that reduce the amount of code you write Find and fix any bugs Roll-out and share your application CD Includes: Visual Basic 2005 Express Edition Microsoft SQL Server 2005 Express Edition A Note Regarding the CD or DVD The print version of this book ships with a CD or DVD. For those customers purchasing one of the digital formats in which this book is available, we are pleased to offer the CD/DVD content as a free download via O'Reilly Media's Digital Distribution services. To download this content, please visit O'Reilly's web site, search for the title of this book to find its catalog page, and click on the link below the cover image (Examples, Companion Content, or Practice Files). Note that while we provide as much of the media content as we are able via free download, we are sometimes limited by licensing restrictions. Please direct any questions or concerns to [booktech@oreilly.com](mailto:booktech@oreilly.com).

Marlynns R.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly. "

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing. "
