

Narrative and Truth: An Ethical and Dynamic Paradigm for the Humanities

In this book, Emslie establishes that narrative explanations are to be preferred over non-narrative in the humanities. They are more truthful in two senses. They both correspond more closely to reality and allow inference as to normative values. This is particularly the case when aesthetics are added to the mix.

Marlynns R.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
