

## Pass the 7: A Training Guide for the FINRA Series 7 Exam

Do the terms ad valorem, reverse repurchase agreement, and disintermediation give you a headache? Do you need to take the Series 7 exam? If you can answer yes to both of these questions, then you've come to the right place. Robert Walker, a professional trainer who specializes in the FINRA/NASAA Series 63, 65/66, 6, and 7 exams, has written this book for those who are about to brave the Series 7 examination. Armed with an M.F.A. in writing and a B.A. in English, Walker has managed to translate Securities-ese into plain English, with a liberal dash of humor. Restructured to reflect the latest organization of the FINRA Series 7 outline and recent rule changes, the sixth edition of this must-have book guides you through the exam's intricacies. Walker takes the exam apart piece by piece, and explains terms and concepts with a sense of humor and ease not found in other exam guides. He shows you, step-by-step, how not to be misled by the questions. In addition to practice questions liberally sprinkled throughout its lessons, Pass the 7 includes a full 250-question practice exam as well as a comprehensive glossary and index. Once you've finished this book, you will be able to take the test with confidence!
