

## Preparing for Graduate Study in Psychology: 101 Questions and Answers

The second edition of this highly successful book helps psychology students plan and prepare for graduate study at every step of the application process. Handy resource devoted to important, commonly asked questions and concise, to-the-point answers that bring students up to speed on the process of applying for graduate study. Features a series of specific questions and detailed answers about key elements of the application process. Provides additional practical tools in the Appendices such as a timetable for completing preparation, descriptions of the different concentrations in psychology, a worksheet for comparing graduate programs, and ranking information on graduate programs in psychology in US and Canada. Helps students make wise choices at critical points in preparing their application dossiers.

Marlynns R.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
