

## When the Sun Sets: A guide to Funeral Planning

Adapted from a series of articles written for a respected seniors magazine, this reference book covers every aspect of the funeral preparations, burial, cremation, and much more. No one likes to think about funeral arrangements while the business of living occupies our minds. But, as Carnell's experience suggests, funeral preparations are much easier when the bereaved have at least considered what they and the deceased may want for an appropriate last rite. This book gives readers a glimpse at the questions that must be answered eventually, and such foresight may ease the pain a little when the time for difficult decisions is at hand.

Marlynns R.

" Undeniably the best chiropractic care I've received to date. So happy to have you as my care team!!! "

Dan L.

" It's been about four months since I started it and I have never felt better. It's really ideal having a pain treatment doctor that knows what he's doing and does it so expertly."

Christina C.

" My car accident took place less than a block from my home. I went to a 1800SOSPain pain center a couple days later.

The treatment, the staff & Dr. Tommy was amazing."
